

Fun Science After School Programme at Combe Primary Autumn Term '21

In September, Fun Science will be returning to run our after school club for an hour a week after school on a Monday. The programme is open to children from years 1- 6.

As always there will be a mix of bubbling potions, mini explosions, science crafts and gross science! Each session is hands on and lots of FUN!

Activities will be different to those done previously so children are welcome to sign up again.

**MONDAY** – The cost for the 12 week programme is £84. Sessions weekly from **20<sup>th</sup> September** – **13<sup>th</sup> December**.

The sessions will run for an hour after school and will be located in a room on site at the school.
