FROM MRS GASCOIGNE, HEADTEACHER

Term 1 Issue 2 2020

Dear Mums, Dads and Carers,
What amazing weather we have had this week. We have been so blessed to be in the sunshine with the children. I hope you have managed to make the most of it each evening too.

We continue to be impressed with how the children are coping with the procedures in school. Our youngest children, in reception, have stayed until after lunch this week and been brilliant.

Thank you to all who logged in to the TEAMS meetings on Monday evening to "Meet the Team". Mrs Bird and I had recorded a video to share at each meeting too. I believe there were a few technical issues and sound was not audible for some classes. The recording will be added to the class blogs for you all to access.

RESPECT is our value this term. The children have been talking in class about what this looks like and how we show it to each other.

Packed lunches and healthy fruit snack

Please can we remind you that we have children at school with **severe nut allergies** and we have a strict 'no nuts' policy. Please ensure you carefully check the ingredients for anything containing nuts, including cereal bars and products such as pesto, which can sometimes contain cashew nuts, before allowing your child to bring it into school. Please also remember that if you child brings a morning snack, this should be a fruit or vegetable snack only.
